Terms and Conditions

Training Fees

The prices indicated do not include taxes. The EiiF is a non-profit and tax-exempt foundation. Therefore, no taxes will be charged as long as the EiiF does not have to pay taxes.

The training fees include course material, lunches, refreshments and the annual TIPCHECK licence fee for the first year.

Billing

The invoice will be sent by the EiiF upon receipt of the registration form to the address indicated and must be paid prior to the training course.

Cancellation

Notification of cancellation or transfer requests must be made in writing (e-mail, letter or fax). The following cancellation charges will apply in case of cancellation: 30 or more days before the training, full refund will be given, 15-29 days before: 50%, 1-14 days before: no refund.

The EiiF reserves the right to cancel any training session in advance if the number of participants is too low to hold the seminar.

Course Content

The EiiF constantly develops its TIPCHECK training and therefore reserves the right to make changes to the published course content without prior notice.

TIPCHECK Licence Fee

Certified TIPCHECK engineers have to pay an annual licence fee of 1‘000 EUR to cover costs for Quality Control by the EiiF, online refresher trainings and the use of the TIPCHECK calculator Software and the TBI-App. This licence fee is already included in the training fee of 2‘000 EUR until the end of the calendar year in which the training took place. The licences are invoiced in November and valid for the following calendar year.

TIPCHECK Calculator Software

All certified TIPCHECK engineers will receive an individual licence to use the TIPCHECK calculator Software.
The EiiF will send out regular updates and reserves the right to change the Software according to the needs of the TIPCHECK programme.
With the payment of the annual TIPCHECK licence fee by 31 December the TIPCHECK calculator licence will automatically be updated and prolonged for one more calendar year.

For the use of the TIPCHECK calculator Software please also read the Terms & Conditions for its use, which are provided with the programme.

TBI-App

Certified TIPCHECK engineers will receive a licence key for validating their TBI-Power Package. The TBI-Power Package is included in the licence fee, which is invoiced in November, and valid for the following calendar year, subject to payment of the licence fee.
