Terms and Conditions

Training fees

The prices indicated do not include taxes. The EiiF is a non-profit and tax-exempt foundation. Therefore, no taxes will be charged as long as the EiiF doesn't have to pay taxes.

The training fees include course material, lunches, refreshments and the annual TIPCHECK licence fee for the first year.

Billing

The invoice will be sent by the EiiF upon receipt of the registration form to the address indicated and must be paid prior to the training course.

Cancellation

Notification of cancellation or transfer requests must be made in writing (e-mail, letter or fax). The following cancellations charges will apply in case of cancellation: 30 or more days before the training, full refund will be given, 15-29 days before: 50%, 1-14 days before: no refund.

The EiiF reserves the right to cancel any training session in advance if the number of participants is too low to hold the seminar.

Course content

The EiiF constantly develops its TIPCHECK training and therefore reserves the right to make changes to the published course content without prior notice.

TIPCHECK licence fee

Certified TIPCHECK engineers have to pay an annual licence fee of 1'000 EUR to cover costs for Quality Control by the EiiF, refreshing trainings (every 3 years) and the use of the TIPCHECK calculator Software. This licence fee is already included in the training fee of 2'000 EUR for the first year of certification.

TIPCHECK calculator Software

All certified TIPCHECK engineers will receive an individual licence to use the TIPCHECK calculator Software.

The EiiF will send out regular updates and reserves the right to change the Software according to the needs of the TIPCHECK programme.

With the payment of the annual TIPCHECK licence fee the TIPCHECK calculator licence will automatically be updated and prolonged for one more year.

For the use of the TIPCHECK calculator Software please also read the Terms & Conditions for its use, which are provided with the programme.
